

2008-2009 ANNUAL FUND

The **Horizons Heroes Fund** provides annual support for scholarships and programs to allow for more young people to attend The Horizons School. Scholarships are our most important need. Many current Horizons students depend on scholarship assistance and others are unable to attend without it. Please consider a tax-deductible gift and help us provide assistance to students who may not otherwise have this opportunity.

Our inspiration comes from the **TRUE Heroes** of The Horizons School – the students, their families, the faculty, and all of the support staff and outside agencies, employers and businesses that enable the Horizons program to touch lives and build independence. They are brave and courageous and have shown us what Heroism looks like in our community.

Please fill out this form with your gift, so that we may record your preferences and include you as one of our **Horizons Heroes**.
